

Family Reading Night 2010

Join us on Tuesday, March 9 from 6-8:30 for the first annual HES American Literacy Awards. The ALA is HES library's version of the American Music Awards – reading style! We are rolling out the red carpet, planning an evening of pure entertainment involving music, books, reading, prizes, snacks, games, and your very own HES stars.

Be sure to bring your cell phones to text in your vote for "Book of the Night"!

ALSO – in correlation with this year's Family Reading Night Event, the HES library and site council will be hosting another Scholastic BOOK FAIR! The Book Fair itself will be open from Wednesday, March 3 to Wednesday, March 10. Watch for further announcements about both Family Reading Night and the BOOK FAIR in future communicators!

1000 Club

The following 1st grader has successfully written to 1000!

Donnie Montigny

Chess Champs

The following students placed 3rd as a team at a chess tournament at Pleasant Valley Middle School in Wichita on Feb. 20. Congratulations!

Brodie Rathbone, Jenna Hinerman, Julian Hessel, Jonathan Hinerman, Braden Vogt, Alex Lubbers, Ben Koop, Jacob Denholm and Dakota Klein (seated)

Jump Rope for Heart

PE teacher, Doug Dick, recently completed his campaign to raise funds for the American Heart Association. Through his organization of Jump Rope for Heart and the tireless efforts of his students they raised **over \$3,000!** Congratulations on a job well done!

"Loose Change for Haiti"

Some second grade students are organizing a fundraiser for the children of Haiti. Faith Dalke, Kelli Dyck, Eva Noble, Tiffany Schale, and Millie Sechrist came up with the idea to collect change and donate that money to the children of Haiti. They are still looking into an organization to give the money to.

Each classroom will have a donation can in the Elementary office. The organizers will put up signs throughout the Elementary advertising this drive. This fundraiser began on Monday, February 22 and will end on Friday, March 5.

Lenten Meals

The season of Lent began on Wednesday, Feb. 17. On that day and all of the Fridays through out Lenten season, a meatless menu alternative will be available. Any parents of students and staff members will need to notify the Elementary Food Service with a call or a note to alert us of the need for the meatless entree. This way we can be sure we have adequate food prepared.

- Judy Penner, Elementary Kitchen Coordinator

Dental Health Month

Pictured below are representatives from Hillsboro Dental Care. They visited HES to provide instruction and demonstration of proper dental health as a part of Dental Health Month.

Spring Picture Fix

The laminated picture (with the calendar on the back) was printed incorrectly for each of the students in their picture packets. Lifetouch is planning to reprint those for everyone and send them here to the office. The old can be traded for the new for those that are interested in purchasing the laminated sheet.
