

# HES Communicator

January 22, 2010

## 1000 Club

The following 1<sup>st</sup> graders have successfully written to 1000!

Addisen Ward

Logan Milne

Maddie Suderman

## Main Street Ministries Food Drive

Hillsboro Elementary School, under the direction of some charitable 4<sup>th</sup> grade girls, has launched a food drive to benefit Main Street Ministries Food Bank. Beginning Monday, January 11, non-perishable food may be taken to the library and placed in the appropriate boxes. The food drive will end on January 25.

## Spelling Bee

The annual HES school-wide spelling bee will be held in the HHS auditorium at 9:00 on Friday, January 29. The bee will include those winners from each grade level. Parents are invited to attend.

## Counselor Corner

We have just received applications for a program for new appliance replacement. It is a federal program similar to the cash for clunkers program. It is a very streamlined application this year and the income guidelines are in the moderate range for a family of four. This replacement program covers refrigerators, freezers, clothes washers, dishwashers, and window A/C's. You may get more information and download an application by going to [SEEARP.info@kshousingcorp.org](mailto:SEEARP.info@kshousingcorp.org). Mr. Moran and Mrs. Fryhover in Headstart have applications.

## Bring On the Boxtops!!

Yes, it's that time of year to start collecting those boxtops. Almost \$1000.00 was raised last year through this simple fundraiser. The year before we raised more than \$1300.00! Just cut out the coupon found on many foods you buy and have your child bring it to the big box in the office. We would ask that you cut them out neatly because if you don't someone else will have to (we had over 3000 coupons last spring!). ***Our mailing deadline is coming up at the end of March so please send us what you have!***

## 100<sup>th</sup> Day of School!

Today marks the 100<sup>th</sup> day of school and was celebrated in a number of ways throughout HES. Pictured below is Mrs. Berens' kindergarten class posing with their 100 Hats.

## Flag Folding 101

Pictured below are 4<sup>th</sup> graders learning to fold flags in their Americanism class as taught by Sue and Pat (the "Americanism" ladies).
